

GALERIE FINE LWC
MANUFACTURED BY SAPPI GROUP OF MILLS

Features										
Description	Galerie Fine is a high-end coated publication paper tailored to publishing and advertising users. Its pure white shade ensures natural colour reproduction, a fresh finished look and lively printed images. With its high brightness, good opacity and smooth glossy surface, this coated paper provides glamorous print results. Its Prime Print Quality generates maximum exposure for Brand Promotion. It is also available in Silky Finish.
